

AIRPORT ROAD OVER SPRING CREEK BRIDGE AND SANITARY SEWER REPLACEMENT PROJECT

TRAFFIC ADVISORY - October 2021

FULL CLOSURE at Airport Road for Bridge Replacement

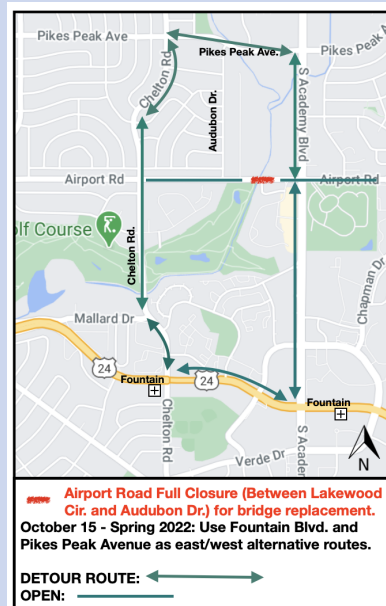

Beginning Thursday, October 14, there will be a **full closure** on Airport Road directly in front of Fire Station #8, between Lakewood Circle and Audubon Drive for bridge reconstruction. Motorists will be detoured at Fountain Boulevard and Pikes Peak Avenue for east / west access. The road closure will be in place as follows:

October 14 – Spring 2022 – Airport Road full closure for bridge replacement

- The closure will start at 7 a.m. on Thursday, October 14.
- Access to fire department, residences, and businesses will remain open at all times by way of Lakewood Circle.
- Marjorie Lee Drive CLOSED except for emergency vehicles.

A detour is in place: Use Fountain Boulevard or Pikes Peak Avenue for east / west access.

PROJECT OVERVIEW:

The City of Colorado Springs is rebuilding the Spring Creek Bridge, increasing its length to add new sidewalks and deepen the channel below to enable flood flows to pass below the roadway. The north sidewalk will connect to the existing sidewalk adjacent to the bridge. A future project will extend the southern sidewalk to connect to the existing sidewalk that now ends about a block west of the bridge.
